

Meritan

List of Services

Meritan's *Senior Services* Home Health – We provide skilled nurses, therapists, and aides for Medicare beneficiaries. We're supporting independence, knowledge, and wellness at our non-profit agency.

Meritan Special Needs Foster Care – We're finding families for children. Children with medical and therapeutic needs. We cooperate with adoptions, when it is best for the child.

Meritan low-to-no vision training & support – We provide orientation & mobility services. Support that helps visually impaired children, adults and their families coping with the physical and emotional challenges of near and complete blindness.

Meritan fitness – We deliver our group exercise and fitness program to senior centers & churches developing individual balance, strength, coordination, and quality of life.

Meritan's Ruth E. Tate Senior Center – We build community. Our social hub is much like your local market, community center, gym, church, theater, or even workplace. People need community; they need interaction and to belong somewhere. The center is a home away from home for many people retired or working, age 60 and older.

Meritan Case Management – We oversee the State's direct in-home services (community based waiver), and ultimately advocating for personal care in lieu of nursing homes.

Meritan Homemaker - preventing and averting the need for Medicaid nursing home admissions. We make sure that those who just need a little extra help to stay out of a nursing home can receive assistance with shopping, cleaning, cooking, bathing, etc.

Meritan Employment – We find meaningful work for hundreds of older workers each year. Many good people need continued opportunities in the "golden years." At the same time, we're doing our part to solve the growing "baby boom" labor shortage. This program of community service and on-the-job retraining for older adults works

Meritan Special Needs Placements (Home Share) – We help people with developmental disabilities live as independently as possible with a host or family. We support a higher quality of life than institutions and group homes.

Meritan Traumatic Brain Injury (TBI) support workers – We don't own the apartments, for us it is more important to support personal care and independent living skills for those who live at specific special needs apartments in Memphis & Nashville.

Meritan (Scambusters) Hotline – We assist victims of fraud or other sc

Meritan Information & Referral – We provide resource and referral counselors to help people find healthcare and social services.
