MERITAN CASE MANAGEMENT

*For the best care possible,
there's no place like home.*

Meritan's Case Management Services provides coordinated care for you in your home - assisting with accessing community services and benefits, educating on what services can benefit you, preventing crisis, and teaching better ways to manage daily life.

Meritan's case managers can serve as the family representative for individuals in health care facilities.

901-766-0600

Meritan is an accredited agency with more than 20 years of case management experience. This extensive experience helps us understand your concerns and difficulties. We respect your privacy and personal situation and we will help you assess your needs in a comprehensive way. Our certified case managers will work with you and your family to create a comprehensive care plan, decide what services are needed, and what resources are available. Our goal is to keep individuals as independent as possible while ensuring you and your families the services you need. Our certified case managers, social workers and registered nurses can assist you with:

- Evaluating
- Coordinating
- Monitoring
- Planning
- Facilitating
- Advocating
