

Family Model Services Caregiver

Family Model Service Caregivers contract with Meritan to welcome individuals with physical, intellectual, or developmental disabilities into their homes and provide them with care and assistance.

Aspects of Caregiving:

- Assist with personal care, appointments, and meals
- Monthly stipend in the form of room and board for the person to live in their home
- Caregivers are carefully matched with the members
- Bi-weekly pay cycles
- Access to ongoing training and certifications
- Access to 24 hour/7 day a week case management support
- Caregiver homes do not need to be handicap accessible.
